### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: on p. 2 at line 2 and on p. 6 at line 7 delete "the sedimented particles" and replace with read "the sediment particles."

2. The following is an examiner's statement of reasons for allowance:

Per claim 1, it is known in the art to provide a centrifugal separator device with a rotor that has sedimentation members rotatably mounted in a surrounding, stationary housing where the housing has a central inlet for a gas medium which is to be cleaned on one end and on the opposite end an outlet for cleaned gas such that the gas passes through the sedimentation members in the rotor and is freed of solid and/or liquid particles and having an outlet for the solid and/or liquid particles; and where characterized in the side wall of the housing a number of parallel guide rails which run helically and arranged on the inner side of the housing extend axially at least over a major part of the length of the rotor and in that the outlet, in the housing.

Similar features are disclosed in prior art reference Sevin '716 (US Patent 3,234,716). However, the limitation of the outlet for the solid and/or liquid particles with the form of at least one aperture included in the side wall of the housing, in the examiner's opinion, is not taught nor suggested in the prior art of record. Accordingly, independent claim 1 and each of the linking dependent claims 2-10 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SONJI TURNER whose telephone number is (571)272-1203. The examiner can normally be reached on Monday - Friday, 10:00 am – 2:00 pm (EST).
